Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 2016 AND 2015

#### **NOTE 1 - ORGANIZATION**

The Shelter for Abused Women and Children, Inc. (the Organization), was organized in 1986 for the purpose of providing counseling, shelter, and other services to victims of domestic violence in Collier County, Florida.

#### **NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES**

#### Contributions

The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

#### In Kind Contributions

In kind contributions are recorded as contributions at their estimated current value at the date of the contribution. Items contributed to the resale store that had not been sold at the balance sheet date are recorded as inventory at their estimated current value.

#### Contributed Services

During the years ended June 30, 2016 and 2015, the value of contributed services meeting the requirements for recognition in the financial statements was not material and has not been recorded. In addition, many individuals volunteer their time and perform a variety of tasks that assist the Organization, but these services do not meet the criteria for recognition as contributed services. The Organization receives approximately 12,000 volunteer hours per year.

#### Inventory - Resale Store

Inventory of contributed resale merchandise at the resale store is carried at their estimated current value.

#### Investments

Investments in marketable securities are carried at fair value in the Statement of Financial Position. Unrealized gains and losses are included in the change in net assets in the accompanying Statement of Activities.

#### Property and Equipment

Property and equipment is recorded at cost or, if contributed, at the fair value on the date of contribution. Depreciation is provided on the straight-line basis over the estimated useful lives of five to fifteen years for furniture, fixtures and equipment and thirty-nine years for buildings and improvements.

#### Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers as cash and cash equivalents all highly liquid investments with an initial maturity of three months or less. Excluded from this definition of cash equivalents are such amounts that represent funds that have been designated by the Board of Directors for investment.

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from these estimates.

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 2016 AND 2015

#### NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES - continued

#### Comparative financial statements and reclassifications

The financial statements include certain prior-year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended June 30, 2015, from which the summarized information was derived.

#### **Expense Allocation**

The costs of providing program, management, fundraising, and thrift store activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

The Organization measures fair value as set forth in the Statement of Financial Accounting Standard FASB ASC 820, "Fair Value Measurements." FASB ASC 820 applies to reported balances that are required or permitted to be measured at fair value under an existing accounting pronouncement. FASB ASC 820 emphasizes that fair value is a market-based measurement, not an entity-specific measurement. Therefore, a fair value measurement should be determined based on the assumptions that market participants would use in pricing the asset or liability and establishes a fair value hierarchy. The fair value hierarchy consists of three levels of inputs that may be used to measure fair value as follows:

- Level 1 Inputs that utilize quoted prices (unadjusted) in active markets for identical assets or liabilities that the Organization has the ability to access.
- Level 2 Inputs that include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument. Fair values for these instruments are estimated using pricing models, quoted prices of securities with similar characteristics or discounted cash flows.
- Level 3 Inputs that are unobservable inputs for the asset or liability, which are typically based on an entity's own assumptions, as there is little, if any, related market activity.

The following are the major categories of assets measured at fair value on a recurring basis during the year ended June 30, 2016:

|   | Fair Value |  |    | Level 1  |      | Level 2                               |   | Level 3          |

#### Permanently Restricted

Permanently restricted net assets consist of funds contributed by donors as an endowment funds, whose earnings are to be used to support current programs and expansion and to fund the shelter's kennel operations. See Note 15 for the change in permanently restricted net assets for fiscal year 2016.

#### NOTE 14 - BOARD DESIGNATED ENDOWMENT FUND

The Board of Directors had designated a portion of unrestricted net assets as a general endowment fund to support the mission of the Organization. Since that amount resulted from an internal designation and is not donor-restricted, it is classified and reported in unrestricted net assets.

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 2016 AND 2015

#### NOTE 14 - BOARD DESIGNATED ENDOWMENT FUND - continued

The Organization has a policy of appropriating for distribution each year, if needed, 5% of its board-designated endowment fund's average fair value of the prior 12 quarters through the calendar year-end preceding the fiscal year in which the distribution is planned. In establishing this policy, the Organization considered the long-term expected investment return on its endowment fund. Accordingly, over the long term, the Organization expects the current spending policy to allow its general endowment fund to provide a total return that meets or exceeds the withdrawal rate as well as the annual rate of inflation.

To achieve that objective, the Organization has adopted an investment policy that attempts to maximize total return consistent with an acceptable level of risk. Endowment assets are invested in a diversified asset mix that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make a maximum annual withdrawal of 5% of the three-year average market value of the fund as of June 30th of each year if needed, at the discretion of the Board.

Composition of and changes in endowment net assets for the year ended June 30, 2016, were as follows:

| Board-designated endowment net assets, beginning of year       | \$<br>7,854,923  |

#### NOTE 15 - DONOR DESIGNATED ENDOWMENT FUND

The Organization's endowment consists of funds established to support current programs and expansion. As required by generally accepted accounting principles, net assets associated with this donor designated endowment fund are classified and reported in permanently restricted net assets.

The Board of Directors of the Organization has interpreted the State Prudent Management of Institutional Funds Act (SPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. Currently, the Organization has no endowment funds that require accumulations to be restricted in accordance with donor gift instruments.

The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by SPMIFA. In accordance with SPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

NOTES TO FINANCIAL STATEMENTS - JUNE 30, 2016 AND 2015

#### NOTE 15 - DONOR DESIGNATED ENDOWMENT FUND - continued

Investment Return Objectives, Risk Parameters and Strategies. The Organization has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment funds while also maintaining the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of 5%, while growing the funds if possible. Therefore, the Organization expects its endowment assets, over time, to produce an average rate of return of approximately 8% annually. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the fund to unacceptable levels of risk.

Spending Policy. The Organization has a policy of appropriating for distribution each year a maximum of 5% of the endowment fund's average market value of the prior three-years through the fiscal year-end preceding the fiscal year in which the distribution is planned. In establishing this policy, the Organization considered the long-term expected return on its investment assets, the nature and duration of the individual endowment funds, many of which must be maintained in perpetuity because of donor-restrictions, and the possible effects of inflation. The Organization expects the current spending policy to allow its endowment funds to grow at a nominal average rate of 3% annually. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets as well as to provide additional real growth through new gifts and investment return.

Composition of and changes in endowment net assets for the year ended June 30, 2016 were as follows:

|  | E  | Indowment | Kei | nnel Fund | <br>Total       |

#### NOTE 16 - CONCENTRATION OF CREDIT RISK

The Organization places the majority of its interest bearing investments with several major financial institutions and, by policy, limits the amount of credit exposure to any one financial institution. The Organization has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents. At June 30, 2016, all of the Organization's deposits were federally insured.

#### **NOTE 17 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through December 6, 2016 the date the financial statements were available to be issued.

Subsequent to the fiscal year end, The Shelter received a temporarily restricted promise to give in the amount of \$3,000,000, to assist in the construction of an emergency shelter in Immokalee, Florida.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The Shelter for Abused Women & Children, Inc. Naples, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of The Shelter for Abused Women & Children, Inc. (a nonprofit organization), which comprise of the statement of financial position as of June 30, 2016, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 6, 2016.

#### Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered The Shelter for Abused Women & Children, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Shelter for Abused Women & Children, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of The Shelter for Abused Women & Children Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Shelter for Abused Women & Children, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

# REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

#### **INDEPENDENT AUDITOR'S REPORT**

Board of Directors The Shelter for Abused Women & Children, Inc. Naples, Florida

#### Report on Compliance for Each Major Federal Program

We have audited The Shelter for Abused Women & Children, Inc.'s compliance with the types of compliance requirements described in the OMB Compliance Supplement that could have a direct and material effect on each of The Shelter for Abused Women & Children, Inc.'s major federal programs for the year ended June 30, 2016. The Shelter for Abused Women & Children, Inc.'s major programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of The Shelter for Abused Women & Children Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about The Shelter for Abused Women & Children, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of The Shelter for Abused Women & Children, Inc.'s compliance.

#### Opinion on Each Major Federal Program

In our opinion, The Shelter for Abused Women & Children, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2016.

#### INDEPENDENT AUDITOR'S REPORT, continued

#### Report on Internal Control over Compliance

Management of The Shelter for Abused Women & Children, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered The Shelter for Abused Women & Children, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of The Shelter for Abused Women & Children Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
