MONARCH SOCIETY LUNCHEON // NOV. 17, 2014

The Monarch Society held its annual appreciation luncheon in support of The Shelter for Abused Women & Children on Monday, Nov. 17, at Ritz Carlton, Naples. The yearly event is held to thank donors in The Shelter for Abused Women & Children's Monarch Circle. The Monarch Circle is a group of women committed to stopping domestic violence before it begins. The Circle is dedicated to gathering like-minded women to learn more about The Shelter, to educate its members about the extraordinary excellence of The Shelter's continuum of programs and services and the role that women play in our support.
