GUILD VOLUNTEER 2020

How fortunate for The Shelter that Gail King and Barbara Langrebe decided to join The Guild together in 2018. The spirit and commitment they bring to helping others makes them the perfect team and is reflected in the name of the committee they co-chair, *Birthday Angels*.

Each month, Barbara and Gail take the time to create a special birthday experience for each person living in Shelter. They shop and beautifully wrap specific gifts for the individuals celebrating birthdays. Personalized cupcakes are included as well as signed birthday cards, making the individual feel special and recognized.

Gail and Barbara's employer, Dr. Mark Prysi, Mrs. Prysi and his entire staff support their work and have become great community partners with The Shelter. This past season, Gail and Barbara coordinated the details for an event that benefited The Shelter at the offices of Prysi Cosmetic Surgery.

Gail and Barbara have quickly taken on the role of Shelter Guild Birthday Angels by bringing joy on a special day to individuals working hard to change their lives for the better.
