Molly Stanley
ES VOLUNTEER 2020

Molly is an extraordinary volunteer. In the 13 years that she has volunteered with The Shelter, she has been and continues to be a great advocate for victims of domestic violence and human trafficking.

Molly has a big heart and always arrives at The Shelter with a big smile on her face. She is exceptionally helpful and supportive - always willing and ready to take on any challenge with no questions asked. She stands with The Shelter staff and residents through every emergency from hurricanes to illness outbreaks. She gives unselfishly of her time and is compassionate and caring with everyone she meets.

From gathering donations, covering the hotline, cleaning the kennel to giving residents extra support by transporting them to and from appointments, Molly always steps up to the plate and goes above and beyond the call of duty. We also appreciate her knowledge and expertise in promoting community awareness about our mission.

We are thankful for all of her time, effort, contributions, hard work, compassion and labor of love with The Shelter. It is truly a blessing to have Molly as a part of our team.
