# KEYNOTE SPEAKER

## Shelter CEO Linda Oberhaus

Linda Oberhaus got her start as a lifelong advocate for vulnerable populations as a peer counselor in high school. For more than 30 years, she has worked in social justice and increasing civility in the public discourse, while ensuring every community member has a voice at the table. She has furthered her education with courses at Harvard Business School and the FBI Citizen's Academy. Her work has led to her becoming a certified Auxiliary Deputy with the Collier County Sheriff's Office so that she can directly assist victims of abuse and human trafficking.

Linda will share the financial cost of domestic violence in our community.

## Founding Fathers...

'Founding Fathers' from left, the late Graham Lount, Jim Jessee, John Jordan, Ron McGinty and Bob Cahners

Gentle'men Against Domestic Violence® is a ground-breaking initiative that calls on men to stand as equal partners with women to raise awareness to end domestic violence and human trafficking in our community.

Members of GADV, serve as role models to encourage other men and boys to challenge traditional aggressive male stereotypes and ultimately break the cycle of violence.

**Dear Gentle'men,**

Welcome to The Shelter's 10th Annual Gentle'men Against Domestic Violence® Tailgate. As we celebrate this significant milestone, in person or virtually, we are grateful to our GADV founders, friends and sponsors for their amazing support. Especially during this challenging time of Covid-19, this 10th Anniversary would not be a success without you.

As we gather to celebrate, we are mindful that violence at home does not stop at the front door; it impacts our whole community, costing us tens of millions of dollars in medical care, social services, lost wages and productivity. Last year alone, the cost to Collier County totaled over \$29 million.

Please know your partnership with The Shelter is a personal investment in the safety of Collier County; for as long as abusers perpetrate violence on their victims, they will continue to perpetrate violence in our community.

The GADV Tailgate committee is honored to serve with you and the hundreds of gentle'men committed to preventing, protecting and prevailing over abuse and violence in our community.

Thank you for your commitment to the mission of The Shelter and that of GADV.

Sincerely,

**Tom Butz & Colin Estrem**
