Shelter for Abused Women & Children Bags & Bow Ties gala

The Shelter for Abused Women & Children held its first-ever evening gala, Bags & Bow Ties, featuring a silent auction of more than 125 designer bags at The Ritz-Carlton Beach Resort. Co-Chairs Diane McCaw and Linda Meak said that while The Shelter's luncheons have been successful, they hoped to attract more men and couples by offering an evening gala with a goal to raise funding and awareness about The Shelter's services. ■
